Matching Bonus

Income Stream 3 (Paid Weekly)

DOUBLE MATCHING BONUSES*

Example: you have built a large organization and achieved the rank of Elite Diamond. You are now entitled to a 20% matching Bonus on everyone you have enrolled. You enrolled Joe. Let's say for this example, Joe is a Diamond earning \$10,000 per month. Joe enrolled Mary who as a Diamond earned \$8,000.

What Match do you earn on Joe? You would be correct if you said \$2,000.00. But that's only part of the magic of the Advita Plan! You would also earn 20% on Mary which would be \$1,500.00. There's more. Joe as a Diamond earns 12% on his personally enrolled Distributors. Joe earns \$960.00 on Mary. Joe's not entitled to the additional 8% because of rank. That difference (8%) rolls up to you, an additional \$640.00

That's a Total of \$4,140.00 in Matching Bonus. "Double Up" means 2 levels of "Dynamically Compressed" Matching Bonuses
***Matching Bonus is based on Unilevel earnings only.**
